

Herdspersons training

Nantwich Farm vets have developed a series of bite size training modules focusing on the skills required for a herds person on a modern dairy farm.

If you are looking to develop your on farm team or train new staff members this is for you.

These sessions will run every two weeks, on a Wednesday morning, from 10.30 till 12.30, in the practice meeting room.

Topics and dates

- Basic veterinary care for cattle - 7th September
- Milking routine and mastitis - 21st September
- Lameness and mobility scoring - 5th October
- Fertility fundamentals - 19th October
- Medicines - 2nd November
- Calving and transition - 6th November
- Calf rearing essentials - 30th November

**£50 per session
or £300 for
all seven**
